Article I - Name

The name of the limited liability company is VYTAL House LLC.

Article II - Formation and Legal Authority

The company is organized under the laws of the State of Maryland and any applicable Maryland limited liability company provisions.

Article III - Purpose

The company may own and operate a membership-based recovery and wellness center and may engage in any lawful business activity permitted under Maryland law. Any clinical service model requires professional review and compliant operating controls.

Article IV - Principal Office

The principal office shall be located at a Maryland address to be confirmed before filing. Public drafts should not include private or unconfirmed addresses.

Article V - Resident Agent

The resident agent and resident office shall be confirmed before filing. The resident agent must consent to service of process responsibilities.

Article VI - Duration

The company shall continue perpetually unless dissolved according to law and any adopted operating agreement.

Article VII - Management

The company shall be managed by its members or managers as defined in an operating agreement adopted by the members.

Article VIII - Membership

Membership interests, admission of additional members, capital contributions, voting rights, and transfer restrictions shall be controlled by the operating agreement.

Article IX - Indemnification

The company may indemnify members, managers, officers, and agents to the fullest extent permitted by Maryland law, subject to professional legal review.

Article X - Effective Date

The articles become effective upon acceptance for filing by the Maryland Department of Assessments and Taxation unless a permitted delayed effective date is specified.

Draft Controls

- Do not file this draft without explicit owner approval.
- Do not treat this draft as counsel-approved legal language.
- Keep signed final documents outside public repository paths unless counsel approves storage controls.
- Maintain a separate operating agreement, consent forms, insurance evidence, and clinical governance records before launch.
